EBERHARD FAMILY AND COSMETIC DENTISTRY IS A family-oriented practice in Utica that is dedicated to helping patients of all ages achieve healthy and beautiful smiles. Dr. David Eberhard and his amazing dental team work hard to provide the care and expertise necessary to enhance, rejuvenate, and ensure all their patients smile with confidence and pride.

“We believe in building positive, trusting relationships, and you can rely on us to always listen and provide you with personal care that meets your needs and surpasses your expectations,” Dr. Eberhard says. “We stay up to date with the latest advances in the dental field, so our patients receive the highest possible quality of care.”

Dr. Eberhard, a native of Windsor, Ontario, has lived in Michigan for 20 years and has practiced dentistry for more than 10 years. He attended the University of Detroit Mercy, studying biology in the University Honors Program, and he continued at UDM to earn his doctoral degree in dentistry.

“I feel very fortunate to have such a great staff. They’ve been with us for a long time,” he says. “I appreciate their specialized skill, knowledge, and ability to always maintain a compassionate and caring environment.”

His patients agree.

“Everyone who works here is amazing,” says Breanne, one of the many satisfied patients at Eberhard Family and Cosmetic Dentistry. “Whether you’re making an appointment, getting your teeth cleaned, or having a more in-depth procedure done, every person goes out of their way to make sure you have a pleasant experience.”

“We have a passion to help our patients achieve and maintain a healthy smile for life,” Dr. Eberhard says. “Our team offers a full range of advanced cosmetic, preventive, and restorative services, and we are devoted to providing them with an exceptional and personalized experience.” ■
